

Scared - by Joshua Klahn

G D Em
I can never thank God enough for you
C D G----D
It's through your smile I see His grace
G D Em
You see who I am, but you keep loving on me
C D G--D
And I don't quite understand why

Chorus:

G D Em
You're everything I've ever wanted
C D G--D
And I'm so scared you won't want me
G D Em
Now that I found you, I don't want to live without you
C D G--D
I pray you'll one day marry me

G D Em
It would be-- wrong of me to think that
C D G----D
I could ever deserve you
G D Em
But just like God, you want me anyway
C D G--D
Your love I could never repay

[Chorus]

G D Em
I know I'm not your Prince Charming
C D G----D
I'm more like a penniless pauper
G D Em
My love is all I have to give to you my princess
C D G--D
I wish that I could give more

Chorus:

G D Em
You're everything I've ever wanted
C D G--D
And I'm so scared you won't want me
G D Em
Now that I found you, I don't want to live without you
C D G--D
I pray you'll one day marry me
C D G--D
I pray you'll one day marry me....
