

Rachael and Jason's Wedding Song

It was God's design from the beginning of time  
A man leaves his father and mother and embraces his wife  
And the two become of one flesh until they die  
A symbol of unity between Church and Christ

Chorus:

And the man says I take you to be my wedded wife  
It's with deepest joy you come into my life  
And together we will be one  
as Christ is one with us

She serves her husband as to the Lord  
And he leads his wife as Christ leads the Church  
They give up themselves to one another  
As Christ showed his love when he sacrificed himself

Chorus:

And the woman says I take you to be my wedded husband  
It's with deepest joy you come into my life  
And together we will be one  
as Christ is one with us

Everything he does bring out the best in her  
And everything she does makes him love her all the more  
Through trials and suffering their love will grow  
In this mystery of marriage created long ago

Chorus:

And God says I take you to be My bride  
It's with deepest joy that you share my life  
And together we will be one  
As I designed  
from the beginning of time
